From the Principal **Mr James Murphy-O'Connor** MA Oxon

8th September 2020

Dear Parents and Guardians,

Just a quick update that quarantine requirements changed again overnight with more countries and regions removed from the safe travel corridor. Please note that it is a legal requirement for all families to adhere to the 14 days self-isolation and we cannot accept children back into school until they have completed this.

For the latest list, please click on this link <https://gov.wales/exemptions-self-isolation-coronavirus-covid-19.html>

We hope that this will not impact on any of you as we are greatly looking forward to welcoming pupils back for the first full day of term tomorrow.

Best wishes,

*James Murphy-O'Connor*
