

Haberdashers' Monmouth Schools

Sixth Form Foundation Year

One Year IGCSE/GCSE Course

International girls and boys aged 15 and 16 where English is not their first language can complete a one-year IGCSE course in preparation to study A levels in the UK. The course is 3 terms from September to July.

Normally, IGCSE courses take two years, however, by using intensive teaching, modern facilities and working with students in small groups, our schools are able to prepare students for these examinations in just one year.

One Year IGCSE students are integrated into the schools' boarding, pastoral and social life, providing a perfect preparation for Sixth Form study and a much broader educational experience than that offered by an international school in the UK.

Curriculum

Teaching is in mixed classes taught at both Monmouth School for Girls and Monmouth School for Boys. Pupils will study for six IGCSE qualifications and the course entails:

- English as a Second Language
- Mathematics
- Dual Award Science (equivalent to two IGCSEs)
- Geography
- Their own language (no taught lessons, exam preparation offered)

Why study at Haberdashers' Monmouth Schools?

- Outstanding academic results
- Average 88% A* - B grades
- Small class sizes and specialist teachers
- A caring yet disciplined environment
- High standard of facilities
- Full and varied programme of activities
- Excellent pastoral care
- Saturday morning lessons
- Boarding is a home-from-home
- Excellent success at university level and beyond

Boarding

The boarding community is an integral part of life for the Haberdashers' Monmouth Schools family, with more than 300 boarders calling the schools home. Boarders live in comfortable boarding houses and are cared for by dedicated house staff. We help students to adjust to boarding school life in a happy, safe and friendly environment.

Good telephone and WiFi access throughout the campus makes it easy for students to keep in touch with home. Bedrooms are comfortable and well-equipped.

The schools provide three hot meals a day for students and cater to all dietary requirements.

Activities

We offer a wide range of activities that extend far beyond the scope of our academic programme.

All our students are encouraged to take full advantage of lunchtime and after school activities and clubs. They develop confidence and make friends through Science and Sports Clubs, and many other activities.

The vitality of our co-curricular programme provides our students with a wealth of skills and confidence, equipping them to take on the challenges they will face as young adults.

Admissions journey

Should you be interested in our Sixth Form Foundation Year, the Admissions journey is as follows:

- Get in touch with our Admissions Team
- Register with the schools (£250 fee)
- Sit online assessments in Mathematics and English
- Be invited to an online interview
- Offer of place (one term's fees acceptance deposit)
