Senior Boarding

Occasional boarding and pre/after school facilities for day pupils 2022/23

There may be occasions when your child wishes to stay at school after 4pm or stay the night. You may be interested to know that the school can help in the following ways:

- The school libraries are open until 6pm for supervised homework.
- Supper is available in the dining halls from 5.30pm. Single tickets are available on the day and should be arranged through the Boarding Secretary, the cost will be added to your school account.
- Occasional boarding is for a single night, weekend or longer – normally up to a maximum of 15 nights per term. Please try to give at least one week's notice. For those who wish to board regularly, special rates will apply.
- Day boarders are permanent members of a boarding house, who have supper at school and have a work station in the house. Overnight stays, at a reduced nightly cost, can be booked with the Boarding Secretary and are charged separately.
