## Payment

- All fees and monies due should be paid on or before the first day of the relevant term. Tuition and boarding fees, lunches and school transport are charged termly in advance whilst music and other extras are charged in arrears.
- The Board of Governors reserves the right to request withdrawal of a pupil if the fees have not been paid by the due date.
- Should a fee account be in arrears, the Foundation Bursar may refuse participation in extra-curricular activities or trips that incur additional costs.
  
- Payment can be made by the following methods:
  - by cheque made payable to Haberdashers' Monmouth Schools
  - on-line bank transfer to Lloyds Bank, Account No, 00095828, Sort Code: 30-95-71, quoting your account number as reference
  
  - by debit card over the telephone, or in person: and
  - by Direct Debit on a termly basis, in full or collected in three equal instalments.
  
- Additional forms and further information may be obtained from the Accounts department on 01600 710406
  
- The school will accept payment in advance and offers a discount for such payment of six or more terms' fees. However, any parent who wishes to pay in advance should first contact the Foundation Bursar
- Fees are set on an annual basis and divided into three instalments for the convenience of all. No reduction is therefore available for pupils in their GCSE and A level year who leave after examinations although a discount will be applied in respect of bus travel and/or lunches to take into account the study leave period
- Apart from pupils leaving after completing A level examinations, a full term's notice **in writing** to the Head must be given by parents before a pupil is withdrawn from the school. The school will charge a full term's fees in lieu of such notice.
- By agreement, the school may accept childcare vouchers in advance payment of the boarding element of the fees for eligible pupils in year groups up to and including Year 11. For further details please contact the Accounts department on 01600 710406
