

Haberdashers'
Monmouth Schools

Appointment of Full-time Teacher of Economics
For September 2024

Introduction

Haberdashers Monmouth Schools are seeking to appoint a well-qualified full-time teacher of Economics from September 2024. The successful applicant will be required to teach Economics at A level. The ability to teach A level business is desirable, but not essential.

As part of the busy life of our schools, new colleagues will be required to support the all-round nature of life here, including making a contribution to our boarding community and to our extensive co-curricular programme.

Applications are sought from subject specialists with a passion for outstanding teaching and a commitment to delivering the best all round educational outcomes for pupils.

The Haberdashers' Monmouth Schools currently comprise the following three schools and educate around 1,065 pupils:

Monmouth Prep School, c.210 pupils aged 3-11, co-ed day, boarding from 7
Monmouth School for Girls, c.385 pupils aged 11-18, day and boarding
Monmouth School for Boys, c.470 pupils aged 11-18, day and boarding

It is an incredibly exciting time to join the schools as the schools will merge to become a single co-educational school, Haberdashers' Monmouth School, in September 2024. The combined school will cover two sites with Years 7-11 located centrally in Monmouth on the current boys' school site and a newly expanded Sixth Form Centre and Monmouth Prep located on the Hereford Road.

Around half of our pupils at any point in time have a sibling being educated within the family of schools, and many more have older or younger siblings who are former or future pupils.

The Department

The Economics and Business department is a strong, dynamic department with a team of highly experienced and motivated teachers.

Economics and Business are both popular subjects with students enjoying the academic rigor combined with the opportunity to study subjects which apply to topical economic and business issues such as the economy, government policy, the international context, businesses, and strategic choices. Studying Economics and Business at A level is an excellent pathway to university and a wealth of different careers, but also sits well with other A level subjects to provide a well-rounded education ready to meet the challenges beyond the sixth form and the world of work.

The Department is dedicated to excellent teaching and learning, and students are encouraged to participate in activities outside the classroom such as Young Enterprise, internal lectures and participate in both internal and national competitions.

The Role

The successful candidate will be an Economics graduate. Applications are welcomed from newly qualified or experienced teachers.

Summary of the Role:

To teach A level Economics to a high standard, including preparation for external examinations

To support the delivery of extra-curricular experiences and departmental activities designed to enrich the teaching and learning within the department

To support the development of the department within the whole school context
